

U ° k' O V) hk@ ° PRE-MEETING SCREENING

You should be able to answer “**NO**” to all questions below to safely attend U ° k' O V) hk@ ° . Please remember if you wake up feeling ill or not right, it is safer not to attend the meeting. We also request that if within two weeks of meeting, you test positive for COVID that you notify Maryland PRIMA at president@marylandprima.com. We can't guarantee that this screening will eliminate the virus spread, but we are doing our best to follow best practices. Your honesty with these answers is important, so please take them seriously.

- Are you feeling ill today?
- Did you feel ill yesterday?
- Is your temperature above 100.4 degrees or have you had a confirmed fever in the last two weeks?
- Recently have you felt “Feverish” meaning have you had the chills and/or sweats but never checked your temperature?
- Has anyone in your household tested positive for COVID-19 in the last 14 days?
- Have you been contacted by “MD-COVID” in the last 14 days and been notified that you have come into contact with someone who tested positive for COVID-19?
- Have you come into contact with anyone through work in the last 14 days that has tested positive for COVID-19? Whether a coworker or someone in the public in the jurisdiction you work in.
- Have you had any symptoms in the last week such as a Cough, Shortness of Breath or Chest Tightness, Sore Throat, Body Aches (Myalgia), Loss of Taste and/or Loss of Smell, Diarrhea, Nausea, Vomiting, and Fever/Chills/Sweats?
- Have you traveled internationally in the last 14 days?
- Have you traveled out of state or to an area that is having an elevated spread of COVID-19 in the last 14 days?

If you answered “Yes” to any of these questions, it will be best for you not to attend this Maryland PRIMA meeting. **Please remember that you should socially distance while in attendance and that hugging or handshaking is strongly discouraged.**
